A SYMPHONIC TREAT FOR ALL

The Christmas program by the Regional Symphonic Band was enthusiastically received by a near capacity audience who attended the Sunday concert. The Sippican Choral Society shared the spotlight as they performed in the second segment of the musical program. The infectious enthusiasm of John Atkinson, the voice of the Symphonic Band, is impossible to resist. On this occasion the audience

was swept into the program with almost the same verve that Mr. Atkinson displays. The Band was excellent with some well loved Christmas favorites. Two were surprise extras arranged by a band member, Mr. George Dietzler. His interpretations of "Fum Fum Fum" and "Santa Claus is Coming to Town" showed off one of the many faceted talents that are present on the stage under John Pandolfi's baton. A second example was the performance of the "Twelve Days of Christmas" done by brass sextet Anthony Rego, Kenneth Wilbur, Charles McCrossan, Philip F. Danforth, Jr., Cynthia Brown and Charles Gill. This sextet performed with gusto and musical humor with this lighthearted piece. The Band turned to Russia for a touch of international flavor. Their "Russian Christian Music by Reed" was powerful and full with the melodic grandeur of that vast country in every bar. It was a high point of the program. The old favorites such as "Parade of the Wooden Soldiers" and Anderson's "Sleigh Ride" as always charmed the audience.

The Sippican Chorus, in an innovative opening, marched down and halted in the aisles. They sang their opening selection, thus, as part of the audience. They were accompanied on stage by a trumpet fanfare consisting of Anthony Rego, Kenneth Wilbur, Philip F. Dan-

forth, Jr. and Paul Lamoureaux. Narration in the piece was done by U. Grant Keener. The Sippican Choral Society singers, under the direction of Peter West, delivered a polished program of vocal music climaxed by the traditional favorite "Hallelujah Chorus" from the "Messiah". This climax was directed by John Pandolfi and accompanied by the band. It was thunderously applauded by an audience who had spontaneously risen in tribute to the great music.

The entire audience was entertained following the music by an Old English inspired Wassail as guests of the Tri-County Music Association. The festive board had a decorated live Christmas tree as a centerpiece. The guests were served punch and Christmas pastries to complete the 1974 Christmas treat for the senses by the Symphonic Band and Sippican Choral Society. This Sunday will be recalled as another seasonal delight. It is noteworthy that many young children attended this concert and listened with notable pleasure and attention. It is a tribute to those who assembled this program that the appeal is to all who love music regardless of years.

CONFER ON BUDGET

The Board of Selectmen met with the Finance Committee and Personnel Board to discuss the fiscal 1976 Budgetry plans and problems.

GARDNER RESIGNS

Robert C. Gardner has resigned from the Sports and Athletic Committee after 6 years of service with that group. Mr. Gardner said that he found it necessary to concentrate his efforts in a few areas. He said that he had a vested interest in the Sports Committee's Fourth of July 5-mile race and so would be most willing to assist the Sports Committee in the annual event.

CONGRATULATE MR. SYLVIA

Selectmen wrote to Alfred Neil Sylvia on behalf of the town's residents, to congratulate him on Al's Meats new building which opens December 18. They commended Mr. Sylvia on his expanded business, most impressive new building and expressed a wish for a long and continued success in Mattapoisett.

LETTER TO WILL MCGRAW

Selectmen wrote to Will McGraw, student representative of Old Rochester Regional Junior High School that they are most appreciative of the students' offer to perform a community service for the town. They suggested that Mattapoisett has difficulties with the keeping of the old railroad bed, from Depot Street to Reservation Road, and the shore and beach in that span free from trash and debris. Since this is an excellent fishing and recreation area it is important to keep it clean the Board feels.

The Selectmen suggested to Mr. McGraw that a student project involving a clean-

REQUEST FOR STOP SIGNS

The Selectmen wrote R. J. Kelleher of the Mass. D.P.W. on December 4 to request permits for stop signs at Park at North Street and Park Street and Acushnet Road. Mr. Kelleher replied that he had directed the traffic engineer to study the proposal and make a report after which he will make a decision.

ASK STUDDS' SUPPORT OF REVENUE SHARING

The Selectmen wrote Representative Gerry Studds that they have become increasingly concerned that changes might be made in the Revenue Sharing program as more and more reports filter out of Washington that this is contemplated.

The Selectmen expressed the conviction that the Revenue Sharing program is an excellent one and serves the best interest of local communities. The Selectmen highly recommend that Representative Studds urge Congress to continue Revenue Sharing in its present form.

ROGERS FILES HIRING BILL

State Senator-elect George Rogers has notified Selectmen that he has filed legislation to permit local authorities to determine who is qualified for service in police departments. Recent problems have occurred where police chiefs have been

CABLE TV MOVING FORWARD

The Boards of Mattapoisett, Marion and Wareham have met and reviewed the proposed Cable TV agreement and agreed basically with its provisions. The committee agreed to proceed toward formal licensing. Hearings have been held in Mattapoisett and Marion on the Advisory Committee reports. The next step, after legal review, will be to send the agreement to the Upper Cape Cable TV Co. to invite their response as well as that of any other applicants. The 3 towns agreed that the Mass. CATV Commission should be asked for a 3 months extension of the deadline for awarding a license since insufficient time remains to complete the regional aspects of the licensing agreement.

It is anticipated that the final licensing procedures can be completed this Spring and would result in the issuance of a provisional license.

DECORATE TOWN HALL

Mr. Clarence Fountain, representing Boy Scout Troop 53, requested a town project from Selectmen. They suggested that the Scouts decorate the exterior of the Town Hall.

The Scouts decorated on the weekend and the results are extremely attractive and appreciated by the town.

Irene George, vice president, and Samuel Spindler, president of the Club, joined Mrs. Spindler in the presentation which surprised Mrs. Sleightholm. She expressed her pleasure and appreciation in being remembered in such a thoughtful way by the Senior citizens. Mrs. Sleightholm celebrated her 92nd birthday on November 5th and has a plaque naming her as the town's oldest resident presented by the Board of Selectmen.

Tom "Moose" Morse was cool under pressure and the "Rock Island Line" of Al and Doug Cameron and Craig Gillum showed real promise.

Old Rochester will compete in the Southeastern League Division III this year against teams like Wareham, Dartmouth, Case, and others. On the basis of early scrimmages, the Division III title is well within the reach of our young Bulldog skaters. All they really need is the same kind of support that loyal Bulldog rooters have given our outstanding basketball teams the past few years.

The Bulldogs will first be on display this Friday evening, at 5:00 P.M. at the Silver City Tournament in Taunton. Their opponent in the first round of the tournament is Case High School. Supporters will have plenty of time to return for the basketball opener.

Amid all the beauty of the fifteenth century English Gothic style Rogers Memorial Church, the annual Christmas Concert will be held on Sunday evening, December 22nd, at 7:30 o'clock. There will be a program of delightful music by composers old and new presented by the augmented choir, soloists and instrumentalists under the direction of Herbert H. Mattapoisett Seniors

The Mattapoisett Council on Aging held its monthly meeting December 10th in the Service Center Room, #202, at the Town Hall.

Matters of great importance were brought up for discussion and action for the benefit for the elderly of the town. Most of all to take priority was the need of a mini bus. Domingo Sylvia and Carl Wagner have been working very hard on that project. In the

SENIOR CITIZENS TRIP

The members of the Mattapoisett Senior Citizens Club went on a wonderful trip Thursday, December 12th. In the absence of the trip coordinator who had made the arrangements but was unable to attend, Carl Wagner acted as host and guide doing an excellent job, assisted by the very helpful Dick Gracia, the bus driver who made suggestions that added to the pleasure of the day. They drove to Falmouth Mall. Although it was damp and drizzling the spirits were not dampened.

To the delight of the candle factory, the whole bus-load went in and the Mattapoisett Seniors were told that this visit made their day. The bus went along scenic roads, not usually traveled upon. Dick took them

At Woods Hole they drove along the beautiful shoreline and the sight was most spectacular. Many wished that they had brought their cameras.

They arrived at Holiday Inn in Hyannis shortly before 12:30 and everything was ready and waiting, the most delicious food, a smorgasbord, their specialty. Since food is always the main event, they had all they could eat.

After the luncheon everyone departed in all directions to the shops in the Mall and also to the other stores across the highway.

Returning home in a very jovial mood they had sing-a-longs and even composed songs

Senior Guidance Counselor Paul McCabe views the project (which translates Voluntary in-service Teacher-Advisors for Learning) as having had the welcome effect of enabling students and staff to get to know each other better more quickly.

"It was important that these newcomers to the high school begin their four-year academic programs on the right foot, "McCabe said. "And while we've encountered the usual share of problems attendant on a new program, the staff members who are participating seem to be getting through to the youngsters the real reasons for the project."

This 'close counseling' has enabled VITAL to relocate a number of 9th graders who were experiencing difficulty with certain courses as a result of being misplaced and to redirect others into programs more suited to their needs.

VITAL's coordinator sees 'more frequent individual conversations' replacing the group work as the year progresses. "But at least we've made a start and many of our 9th graders are beginning to appreciate what we are doing," McCabe said.

BLOOD TO TOBEY HOSPITAL

College students visiting home for the Christmas holidays are carrying on a tradition started in high school by donating blood to Tobey Hospital. In his talks to high schools and seniors, Dr. Samuel Goldfarb always stresses the continuing need for blood even when the youngster is away from the area. Because blood is so difficult to obtain during this season, due to the heavy demand for it in the hospital, Tobey is grateful to both those who have pledged and those who have given blood.
